

Unlimited Solution

Unlimited Financial Aid Coaching

- Strategies for reducing net out-of-pocket costs and planning for the total cost of college
- Personal coaching on finalizing merit financial aid goals
- Coaching on completing financial aid forms such as the FAFSA, CSS Profile, and others
- Expert review of SAR (Student Aid Report) and other critical financial aid documents
- Review, analyze and report on all financial aid award packages
- Advisement on the financial aid package appeal process when appropriate
- Information to help identify education tax credits or deductions during the first year of college

Unlimited Career Coaching

- Proprietary career coaching process designed to help each student discover their unique gifts, talents, aptitudes, and abilities
- Career coaching process includes personal assessment and one-on-one coaching to review results and help identify potential career paths and majors
- Easy-to-use online learning center to help students explore and find their “right fit” career that will provide their life meaning and purpose, joy and contentment
- Careers recommendations in “growing” fields of the future that match student’s passions and aspirations
- Ignites the student’s vision of their future by matching their “right fit” careers to appropriate majors

Unlimited College Selection Coaching

- In-depth college profiles to easily identify and evaluate the best colleges for the least cost
- Unlimited access to easy-to-use online tools to easily explore, find, and compare “right fit” colleges
- Individualized coaching to determine college affordability and to establish student’s merit aid goals
- Proprietary MyFit™ feature to discover your right-fit college options based on your academic drive, social preferences, career interest, and financial aid requirements

Unlimited Admissions Coaching

- Expert review of college applications to help ensure each student creates the “right” first impression
- Provide advice to students on all forms of college communications including recommendation letters, college visits, interviews, and the proper use of social media to get noticed by their “right fit” colleges
- College essay coaching to help students “stand out” by fine-tuning their essay to clearly express their ideas and personality while also reviewing for grammar and content

Other Unlimited Benefits
